Hangu, khyber Pakhtunkhwa, 20221 Pakistan

SUMMARY

In 1.5 years of experience with Flutter for cross-platform development, I've crafted two standout applications - the BuddyShuffle Chatting app and the VoteTracker Election app - showcasing my proficiency in creating dynamic and user-centric solutions. Additionally, I've gained valuable expertise in native Android development using Jetpack Compose, further broadening my skill set in delivering high-quality mobile experiences.
